25X1 1. [ ] Returned to the Joint Committee on Atomic  
25X1 Energy the corrected transcript of the Director's briefing of 23 January  
along with a list of the corrections made.

[ ] Security, briefed the staff members who  
were present at the 23 January briefing on the special security factors  
involved and had them sign the appropriate documentation.

25X1 2. [ ] Met with Mr. Robert McManus, Senate  
Internal Security Subcommittee staff, for preliminary discussion  
regarding the appearance of [ ] in connection with the 25X1  
Subcommittee's study of Communist murders, assassinations, etc. 25X1  
Mr. McManus is particularly interested in having [ ] give  
information which he had previously discussed in an informal con- 25X1  
versation with McManus on the [ ] case and any other similar  
situations. I told McManus I would talk with our people on this and  
arrange for more detailed conversations within the next few days.

25X1 3. [ ] Talked with Jay Sourwine, Senate Internal  
Security Subcommittee, on the case of [ ] Sourwine still does 25X1  
not have a commitment from a senator for this session but hopes to have  
information for us within the next few days. He still has as a target  
date sometime during the next week.

25X1 [ ] Sourwine indicated he had sent us a letter  
25X1 requesting our views on several additional items in the testimony of  
[ ]

25X1 4. [ ] Left for Representative John R.  
Schmickhauser a sterilized version of the OSI study on Soviet Solar  
Research, 1958-1964 and advised that this item had been sent to the  
Department of Commerce for publication.
